AN EXCLUSIVE EXPERIENCE FOR SMALL GROUPS

# ACTION, CULTURE AND CUISINE AT FORT KNIEPASS

Explore the controversy of »borders« as you pass through the many adventure trail stations, and find out where you would draw line! The route can be tailored for children or adults. The significance of this former border post is almost tangible, being exuded by the mighty surrounding walls of the fort.

A fort visit and adventure trail walk can be rounded off perfectly with the adrenaline rush of the »Slide Challenge«. The longest and highest tube slide in the Alps promises a lightning descent to the visitor centre – past spectacular lighting and sound effects. Times are taken, and there's an award ceremony with loud applause at the bottom.

The visit finishes in style with a sophisticated »3-course pasta

meal«. The pasta is handmade from ancient grains such as emmer and einkorn, and accompanied by original sauces and regional specialities. A seasonal starter and a refined dessert bookend the meal perfectly. Of course, vegetarian options and pork-free dishes can be booked on request.

Enjoy unforgettable experiences at Fort Kniepass, and take away lasting memories!
